

Change your Apple ID country or region

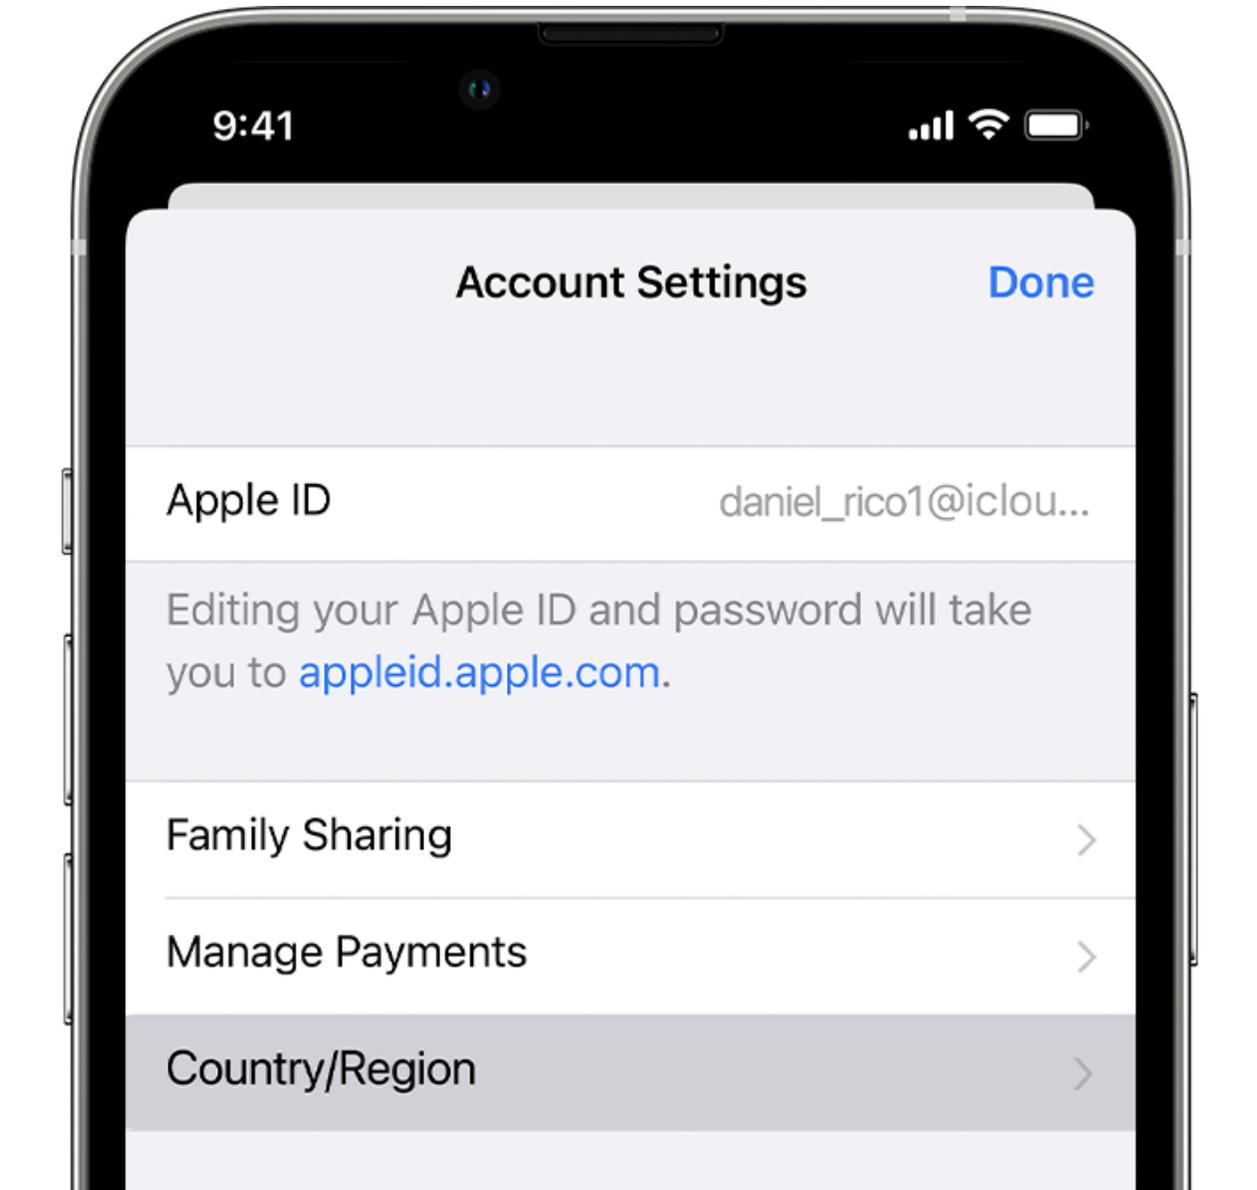

Before you update your location, you must spend your store credit, cancel your subscriptions, and get a payment method for your new country or region.

What to do before you change your country or region

- Spend any balance remaining on your Apple ID. If you're not sure whether you have a balance, [check your Apple Account balance](#).
 - [Cancel your subscriptions](#) and wait until the end of the subscription period.
 - Wait for any memberships, pre-orders, movie rentals, or Season Passes to complete, and wait for any pending store credit refunds to process. You can [cancel a pre-order](#).
 - Make sure that you have a payment method for your new country or region. [See what payment methods you can use](#).
 - Redownload your apps, music, movies, TV shows, and books on any devices that you might use to play or read them in the future. Some types of content might not be available in your new country or region. [Learn what types of content and services are available in your new country or region](#).
